14 Nov. 57

Boyd Crawford called and in view of the absence of many members of the Committee, the hearing scheduled for 4 December is being postponed until after the first of the year. (See memo to DCI dated 15 November 1957.)

Mr. Daniel F. McGillicuddy, Jr., Acting Chief Counsel, Preparedness Investigation Subcommittee of the Senate Committee on Armed Services, called with reference to the possible problem of clearances for CIA information in connection with the forthcoming hearings scheduled to start on 25 November 1957. Mr. McGillicuddy stated that at the present time he knew of no plans to request the Agency to appear before the Subcommittee but as a precautionary measure he wished to furnish us with the names of the members of the staff so that we could check the status of their clearances. He furnished the following names as having TOP SECRET clearances from the Department of Defense or in process for such clearances:

(\* - in process)

Mr. McGillicuddy requested that we advise him on this subject within a few days.

Legislative Counsel in company with [redacted] of OCI and [redacted] of OCR met with Representative O. Clark Fisher (D., Tex.) to discuss with him his recent travels in Europe and South America. Mr. Fisher was very pleased to see us and extremely cooperative. He gave us a number of his general impressions and answered numerous specific questions. [redacted] and [redacted] will submit brief memoranda from their viewpoints. The information while probably not disseminable as a report was interesting and Mr. Fisher seemed to believe that the visit was worthwhile.
